# Millington School Choir

Hello everyone our names are Jane and Chloe and we are writing to tell you about the Millington school choir. At the beginning of September members of Year 5 are allowed to audition to join the choir. We were put in groups of three and Mrs Clarke (our choir teacher) played the piano while we sang a song to see if we would be chosen.

Thankfully we were both chosen!

Since September we have practised very hard to learn lots of new song but we were particularly busy coming up to Christmas as we were asked to sing in lots of different shops over the Christmas period.

We were split into groups and one half sang in a children's shop called Adams and the other half sang in a supermarket called Tesco. When we were singing in Adams a lady stood in the shop's entrance collecting money for the poor and sick children. We managed to collect £50.00! Mrs Hanna, a Year 3 teacher, also collected a similar amount at Tesco. This

We also went to Carngrove Hotel and it was brilliant because we got to sing on a little stage. The crowd really enjoyed our singing and they were very nice as they gave us some juice and biscuits afterwards. They also gave us a yummy selection box. We all really hated leaving!

Each year around Christmas all the towns put up Christmas trees and beautiful lights. We were asked to sing at the 'turning on' of the Christmas tree light. We really enjoyed this trip as our friend got to help turn on the lights.

# Year 4's New Year Resolutions

MILLINGTON

At the beginning of each new year we try to make a New Year Resolution. Year 4 have decided that as it is a new year, it would also be a great time to think about what targets they could have for school! All of the children have been busy setting goals for themselves and here are some of their aims.

This year I will  
come in with a  
smile on my face.  
Y4S

This year my New Year  
Resolution is to do  
things better than last  
year. Y4S

This year I will do my  
homework and be good  
for my mum. Y4M

My New Year Resolution is  
to stop talking in class while  
I should be listening to the  
teacher. This would be  
helpful to me because I  
would be able to learn lots  
of new things. Y4J
